This show is a benefit for the Enchanted Haven Horse Rescue (EHHR), which is a non-profit, 501(c)3 tax exempt organization.

Anchors Aweigh! started as a **specialty show** open to **Breyer and Stone PLASTIC original finish** models. Due to popular demand, divisions/classes are being offered for OF China/Non-Plastic models as well. Also, some small divisions for plastic models produced by other companies have been added.

NAMHSA approved! all first and second place equids will receive a NAN card in all qualifying NAMHSA classes. They will be eligible to show at NAN in '17-'20 and/or participate in their Merit Award program.

**Hours:** Hall opens at 7:30 am for entrants, judges, and vendors. Judging will get underway by 8:45 am. We were done by about 5:30 pm last year.

### Awards:

- Used commercial flats or paper ribbons 1<sup>st</sup> – 6<sup>th</sup> –
- NAN cards to 1<sup>st</sup> and 2<sup>nd</sup> in all classes – over 500 NAN cards!
- Certificates to all Champions/Reserves (about 74 of each named!); certificates or rosettes to Grands/Reserves!
- Models may enter up to **THREE** Halter classes – Breed, Collectability and Workmanship!

### Entry Information/Fees:

- Tables measure approximately 2.5' x 6' (15 square feet) or 5' round (19.6 square feet).
- Space is limited – there are **20 rectangular tables available for participants, and 5 rounds tables**. Entries are first come, first served.
- Show Entry or Vending – Half Table ≤35 models - \$35; Full Rectangular Table ≤60 models - \$60; Full Round Table ≤60 models - \$70.
- Additional model fee over 35 or 60: 50 cents per model.
- Extra table space is available – for vending or more room – half table - \$35; full rectangular table - \$60; or \$70 full round table.
- Proxy – \$10 entry + \$1/model, up to 10 models – **NO TABLE SPACE**
- All items **MUST** fit on or directly below your table.
- No space will be “held” for anyone. You will not be considered “entered” until your properly completed **entry form and proper entry fee** are received by the Show Manager.

- Fees **received** from October 1, 2016 through October 22, 2016 incur an additional \$10 late fee; entries received after 10/22 will incur an additional \$20 late fee. Day of show fees must be paid in cash/exact change, if space is available.
- Please read the all rules and Entry Form for additional information.
- Do not ask for exceptions to any of the deadlines/fees/rules, etc.

If you would like to **donate** anything for a **silent auction** or **raffle**, please contact the Show Manager. Also, if you have anything to **donate to Enchanted Haven Horse Rescue**, your generosity would be appreciated! Lead ropes, halters, buckets, brushes, etc. – doesn’t need to be new, but must be clean/in good working order.

**And the BIG award...** The battle of the Halter Grands! Who will be the top model of the show?!?!? Judges **and** entrants will decide!!!! It’s Breyer versus Stone – who will be victorious?!? Put your money where your opinion is and vote for your top pick! The model with the most votes/money wins! All funds gathered go to EHHR! The score so far: Breyer – 3; Stone – 4.

**Limits:**

- ALL MODELS MUST FIT ON YOUR TABLE – plan accordingly. All belongings (boxes/crates/totes/etc.) must be stowed below deck (UNDER your table). Although this hall is good sized, it’s not fair if you spread out while others comply with this request. ***If you take over extra space, you will be charged for it. That includes rolling carts/drawer units for tack/props/etc., spillover into floor space, etc.***
- Entrants may enter no more than two (2) models in any halter class (breed, collectability or workmanship). **HOWEVER:** You may enter extra models in any classes for an additional fee of \$1 per model per class. A box will be placed at each ring for extra fees.

**Original Finish** – any model that is in the EXACT condition as when it left the factory. Models may be touched-up to hide nicks, etc., but no socks/stars/etc. may be added, or paint removed. No added gloss finish, shoes, etc.

**Factory Custom (FC)** – Stone models that have alterations in the plastic not found on the original molded model, alterations being completed at the producing company. FC does not refer to paint changes. They do NOT include standard regular run variations, such as long/short tail on the ISH/Arab; manes loose or braided on the pony; standard bob & ribbon variation on drafters, etc. FC DO include: Windswept and mud knot manes/tails (including those on multiple runs). Any repositioning of a body part such as opened mouth, mule ears, twitched ears, repositioned head and/or neck, repositioned hoof and/or leg, and added veining. Any time a plastic model is heated up and altered from the original mold, it has been customized. (This definition is from a Stone Show class list.) Documentation would be appreciated with Stone FC/XFC models in breed/workmanship classes, and is required in collectability.

**Show Day Organization - multiple tables to save time**

Most divisions’ classes will be set up for judging at the start of the show. At this point, the Breyer Trad Adults, Stone Full Size Adults, and Performance will all have a ring (or two) of their own. Tables will be earmarked for all other divisions, and classes filled before judging of the division starts. For example, Pebbles will be called up – entrants will bring their models to the designated table, and set them down in the area indicated by the class signs. Filling of the rings will start at about 7:45 am.

Pebbles X X 6 Arab-Pure X X X X X	Pebbles X 7. Arab – Part/Other X X X X X	Pebbles X X 8 Saddlebred X X X X X X X
Pebbles X X 9. QH X X X X X X	Pebbles X X 10 WB – Any Breed X XX X X X	Rectangles represent “placemats” which will be on the tables, labeled for each class; the “X” indicates models that are in the class – just an example of the set up.

We'll take some extra time to fill all the divisions/classes before we start the show (or as many as we can). Entrants will be asked to leave their models on the table until all the breed classes for the division are judged – all models in that division will be released at one time. Once all breed classes are complete, we'll set up for collectability. This should make it easier on everyone, especially those who have offered to judge, as it will allow them to set out their models, and only have to listen for Stone Full Size Adults, Breyer Traditional Adults, and Performance.

### Judging Criteria

- **Breed Classes** – Models will be judged on breed characteristics/standards, anatomy, biomechanics, build suitable to age/gender, conformation, realism and condition. **Rarity and age are NOT considered at all.**
- **Collectability** – Models will be judged on finish, condition, including absence of rubs/flaws/overspray/etc., even seams, etc., correctness of painting, color, markings, realism, etc. , age and rarity. Documentation is **REQUIRED for ALL models, and must include document source (e.g., website, book, etc.).**
- **Workmanship** – Models will be judged on finish, condition - including absence of rubs/flaws/overspray/etc., even seams, etc., correctness of painting, color, markings, realism, proper color for the breed, etc.
- **Judging for this show is based on REALISM (except for collectability).** You may want to document unusual colors, patterns, breeds, etc. ***Please limit documentation to pertinent facts, and provide on paper measuring no more than 5.5" x 8.5" (smaller is better!), with no less than 10 point type. As table space is limited, the size of documentation needs to be kept to a minimum. Please cite all references.***
- **Performance** – Models judged on tack/obstacles (this includes correctness and proper fit of tack, scale and set up of obstacles, etc.) and on suitability to task (the model looks like it's doing – or could do – what the class calls for). Specific rules concerning particular classes are located later in this packet.

### Breed Classes – Stone Division

For the Stone division breed classes, classes are actually based on the MODEL/MOLD itself.

### Choosing Champions/Reserves and Grand/Reserve

For halter, champions and reserves will be chosen through callbacks for Stone Full Size Adults and Breyer Traditional Adults. For halter classes loaded on multiple tables at the beginning of the show day or section, champions and reserves will be determined at the time those divisions are judged (again, please leave models until these divisions are completely judged). For performance, all models earning at least one 1<sup>st</sup> or 2<sup>nd</sup> will be called back with all their ribbons earned in that division. Points will be considered for Grand/Reserve.

### GENERAL SHOW DEFINITIONS & RULES

- **Documentation** is welcome but should provide ONLY the pertinent facts, and be provided on paper measuring no more than 5.5" x 8.5", with no less than 10 point type. We'd like to see what YOU think is important in describing the model's breed characteristics, color, etc. Remember – space is very limited. Please cite all references.
- **Geldings** – stallion models may be shown as geldings.
- **Halters** – will not be allowed in halter classes, unless molded on.
- **"Other"** Classes – if the class has "Other" in its title, please include an explanation or what the "other" is. It may be self-explanatory to you, but it sure helps our judges' figure out what's going on! If there isn't an explanation, the judge has the right to disregard the entry.
- **Pony Pound** – If someone forgets and leaves a model on the table after a class has been judged and cleared, it may be charged with loitering, and removed from the table and placed in the pony pound. For a \$1 donation, the owner may bail it out. Any proceeds earned in this manner go to EHHR.
- **Props** – No props may be used in halter classes.

### TAGS

Due to the size of the show, A2x8 will record only first and second place models, though placings will be made through 6<sup>th</sup>. This will help save time. All models must have a tag that has the owner's INITIALS and model's name on one side,

and the breed, gender, color and age of the model on the other side. The only exception is workmanship – only the color is needed. If the requested information is not included, the model will not be placed. All tags must be shown with owner's initials and horse name faced down or model will be disqualified.

### **Judges/Judging**

- **Judges** may not show their models in a section they are judging (i.e., if someone is judging SM Adults, they may not show in that division, but may show in SM Foals or other Breyer sections).
- **If a judge would like to show a model in a section being run simultaneously with a section they are judging, in the interest of time, they should try to find a friend to show for you, so as not to interfere with your judging responsibilities.**
- **The Judge's Decision** is final.
- **Please** do not disturb the Judges while they are judging. Ask questions between classes.
- Showers/spectators **MUST** stay away from the judging tables when judging is in progress, and refrain from talking with judges while they are judging.
- **Judges** may not judge any model they have sold within the last six months.
- **Payment for Judges** – we're always looking for volunteers, but payment of 50 cents per class judged (based on the original class list – not including splits) is available. Please let me know if you'd like to help out with judging! If you're interested, email the Show Manager directly about possible compensation, responsibilities, etc.

**The "Other" Stuff** We will run **classes** in the **order** presented in the class list. However, divisions may be moved around as table space becomes available.

**COMPLAINTS** about judging, etc., should be made to the show manager IMMEDIATELY.

**DIRECTIONS:** MapQuest/Google Maps/Waze are the best way to get directions. If you have any questions though, please contact the Show Manager.

**DOCUMENTATION** – Documentation is appreciated for unusual breeds/colors, but please keep it concise – due to space, no more than half a page. The judge doesn't need to know the history of the breed, just the general build/colors/etc. Be concise! Documentation is required for ALL collectability classes. **Please cite all references.**

**DO NOT PICK UP** any exhibitor's models without their permission. If you damage someone's model, you'll have to pay for it. The only exception to this is if someone has left a model on the judging table after their class; the show committee reserves the right to move the model. They will be careful, but cannot be held responsible for any damages.

**LUNCH/FOOD** – There will be a lunch break – depending on how classes are running, we'll probably break around 12:30 for about 45 minutes. The Fire Company offers food on the premises from their own galley. It would be nice if we patronize their services. There are also a few places within a mile of the hall. And of course – you may bring your own, though there are no refrigerators.

**NO CONSUMPTION OF ALCOHOL, BAD LANGUAGE, PETS, RADIOS/MUSIC, RUNNING or SMOKING** in the show hall. And PLEASE turn down your phones/electronic devices/etc.

**RESULTS** - Results will be posted on the website after the show, and emailed to participants.

Please instruct any of your family/guests on proper **show hall etiquette**. You are responsible for your family and guest(s) actions. Please be courteous and respectful of family, other entrants, attendees, judges and show staff.

**SELLING** – showers are allowed to sell items within the show hall. Again, all items, belongings, etc. must be stowed below tables for aisles to remain clear of slip, trip, or fall hazards.

**SMALL/YOUNG CHILDREN** are NOT encouraged to attend this show. There are many expensive models displayed; parents/guardians are responsible for their children's action in the event of any breakage/damage. Children under the age of 14 **must** be supervised by an adult **at all times**. Violation of this rule could result in being asked to leave the show hall and forfeiture of fees.

Poor **SPORTSMANSHIP** will not be tolerated. If anyone acts in such a manner (this includes, but is not limited to, arguing with the judges or any show official, displays of conduct that tend to embarrass or demean any person, or any use of language not appropriate to a family event), or does not obey directions of the Show Committee, they will be asked to leave (also any family members/friends/etc.) and will not be refunded any portion of their show fee. This extends to after the show – if you have issues with judging, how the show was run, etc., please contact the Show Manager before you start posting to lists/blogs/etc. Concerns are taken seriously, and your comments are welcomed as well as possible solutions to any issues.

### **BREED DEFINITIONS**

Remember, **these are BASICS**, and the list does not include every breed known to man. You may show your Appendix QH in a Sport Breed class if the model looks like a sport horse and not a stock horse. You may show your Akhal-Teke in a Sport Breed class if it looks more sporty than light. Mustangs could go in any number of classes, depending on their look (stock, Spanish, etc.). **ONLY ONE BREED CLASS PER MODEL**. So if your Appendix QH doesn't place in Other Pure Sport, we DON'T want to see it in QH/Solid Colored Stock Types!

And if you don't know the breed (it's a mutt), it's fine to say it is "GRADE". Though many judges like to see a little creativity with breed assignments. 😊

***SPECIFIC CLASS RULES FOR PERFORMANCE***

Proper tack and/or obstacles are required in all performance classes.

**Barrels/Poles/Games** – can include Barrels, Poles and other games – Keyhole, Boot Race, etc.

**Costume** classes – NO SCENES! Table space is limited... Just the horse model please!

**Cutting/Roping/Cattle Work** – must have cow/calf/bovine of correct type.

**Dressage** – please state level, test and movement (entrant may provide copy of test)

**Harness** – vehicles are not required.

**Jumper** – this is for stadium jumping or similar type events.

**Other English/Western Not Listed** – NO BAREBACK! Model must have on both saddle and bridle.

**Other Performance** – must be realistic, and model must have on both saddle and bridle or complete harness.

**Reining/Western Riding** – Please include a pattern, and where the model is in the pattern.

**Saddle Seat** – High or low action.

**Trail** – may be natural or arena. Again, space is limited...

**Entering Performance** – it's always difficult to find qualified performance judges. This year, the performance classes have been re-arranged into smaller sections/divisions. There will be a charge of \$5 to enter performance, which will be waived if the entrant judges one performance section/division. If it remains a challenge to get performance judges, these classes will be dropped in the future.

**Props** – space is limited, so please keep performance set-ups as simple/localized as possible. Remember that the Judges should be looking at the model first and foremost. No arena walls in any classes except Cutting/Roping/Cattle Work.

**Rider Dolls** – are allowed in Performance classes, but if their set-up takes too much time, they will be barred from the remaining classes in that division at the Judge's or Show Coordinator's discretion.

We will be following the NAMHSA's NAN Performance Entry rules as follows, with minor modifications included.

Performance entries are limited to a maximum area of 18" x 30" with the exception of Over Fences and Stock Work classes, which may use 24" x 30". Multi-horse (more than 2) hitches may legally exceed these space requirements **IF space is available**. Entrants are strongly encouraged to keep their setups to well under these size limitations whenever possible. Size limits will be enforced and failure to comply can result in disqualification.

NO SETUP is permitted in Hunt Seat, Western, or Saddle Seat Pleasure classes, meaning no footing of any type and no props (except a rider) may be included. The entry should consist of model, tack, and (optionally) a rider. Explanation cards are permitted only to note specific tack permissions, e.g., Junior Horse for an entry in a bosal or ring snaffle in western pleasure, or to explain gait/movement for a horse not obviously in a walk, trot/jog, canter/lope, or gait.

Setups are permitted in all other performance classes, however, all parts of the setup should be germane to the performance portrayed (e.g., cattle in stock work, jumps in over fences, or a buffalo in a Native American costume are appropriate). Props must not obscure any part of your entry or any other entry. Excessive scenery, animals not involved with the actual entry, etc., are not appropriate. All parts of the setup must fit within the maximum sizes stated above

and otherwise conform to the rules listed below. No photo backdrops are permitted.

Performance explanation cards should be limited to 4" x 6"; additional documentation is limited to one 8.5" x 5.5" sheet. Oversized documentation may be removed by the ring stewards/judge.

Each class is guaranteed only 10 minutes of setup time. Timers may be used. No class will be held for late entries.
