**Website:** <http://woodlandfarm1976.weebly.com>

This show is a benefit for the Enchanted Haven Horse Rescue (EHHR), which is a non-profit, 501(c)3 tax exempt organization.

Anchors Aweigh! started as a **specialty show** open to **Breyer and Stone PLASTIC original finish** models. Due to popular demand, sections/classes are being offered for OF China/Non-Plastic models as well as a small section for plastic models produced by other companies.

NAMHSA APPROVED! All first and second place equids will receive a NAN card in qualifying classes. They will be eligible to show at NAN in '24-'27 and/or participate in the NAMHSA Merit Award program.

**Hours:** Hall opens at 8:00 am for judges, and 8:30 am for entrants and vendors. Judging will get underway by 9:30 am.

## Awards:

- Paper ribbons 1<sup>st</sup> – 6<sup>th</sup>
- NAN cards to 1<sup>st</sup> and 2<sup>nd</sup> in all qualifying classes
- Certificates to all Champions/Reserves.
- Models may enter up to **THREE** Halter classes – Breed, Collectability and Workmanship.

## Entry Information/Fees:

- Tables measure approximately 2.5' x 8' (20 square feet)
- Space is limited – there are approximately **25 rectangular tables available for participants.**
- Show Entry with table supplied – Half Table ≤35 models - \$45; Full Rectangular Table ≤50 models - \$70
- Show Entry bring your own table - \$50 ≤50 models
- Additional model fee over 35 or 50 models: 50 cents per model.
- Vendors bring your own table - \$45.
- Proxy – \$10 entry + \$1.50/model, up to 10 models – NO TABLE SPACE
- No space will be “held” for anyone. You will not be considered “entered” until your properly completed **entry form and proper entry fee** are received by the Show Manager. Entries are first come, first served.
- Fees **received** between August 5 and August 31, 2023 incur an additional \$10 late fee; entries received after 8/31/23 will incur an additional \$20 late fee. Day of show fees must be paid in cash/exact change, if space is available.
- Please read all rules and the Entry Form for additional information.

If you would like to **donate** anything for a **silent auction, best offer, or raffle**, please contact the Show Manager. Also, if you have anything to **donate to Enchanted Haven Horse Rescue**, your generosity would be appreciated! Lead ropes, halters, buckets, brushes, etc. – doesn't need to be new, but must be clean/in good working order.

**And the BIG award...** The battle of the Overall Halter Champions! Who will be the top model of the show? Judges **and** entrants will decide by placing money with displayed champion models. The model with the most cash wins! All funds go to our charities. This is **ONLY OPEN TO PLASTIC BREYER AND STONE MODELS**.

**Limits:**

- ALL MODELS MUST FIT ON YOUR TABLE – plan accordingly. All belongings (boxes/crates/totes/etc.) must be stowed below deck (UNDER your table). Although this hall is good sized, it's not fair if you spread out while others comply with this request.
- Entrants may enter no more than two (2) models in any halter breed or collectability class. **HOWEVER:** You may enter extra models in any classes for an additional fee of \$1 per model per class. Please place money **WITH YOUR MODEL**. Judges will put the money in the boxes located at the rings.

**Original Finish** – any model that is in the EXACT condition as when it left the factory. Models may be touched-up to hide nicks, etc., but no socks/stars/etc. may be added, or paint removed. No added gloss finish, shoes, etc.

**Factory Custom (FC)** – Stone models that have alterations in the plastic not found on the original molded model, alterations being completed at the producing company. FC does not refer to paint changes. They do NOT include standard regular run variations, such as long/short tail on the ISH/Arab; manes loose or braided on the pony; standard bob & ribbon variation on drafters, etc. FC DO include: Windswept and mud knot manes/tails (including those on multiple runs). Any repositioning of a body part such as opened mouth, mule ears, twitched ears, repositioned head and/or neck, repositioned hoof and/or leg, and added veining. Any time a plastic model is heated up and altered from the original mold, it has been customized. (This definition is from a Stone Show class list.) Documentation would be appreciated with Stone FC/XFC models in breed/workmanship classes, and is required in collectability. **For this show, gender changes will NOT be considered FC.**

**Show Day Organization - multiple tables to save time**

Most sections' classes will be set up for judging at the start of the show. At this point, the Breyer Trad Adults and Stone Full Size Adults will all have a dedicated ring (or two) of their own, with single classes running throughout the day. Tables will be earmarked for all other sections; all classes within the specified section will load before judging starts. For example, Pebbles will be called up – entrants will bring their models to the designated table, and set them down in the area indicated by the class signs. Filling of the rings will start at about 8:00 am.

We'll take some extra time to fill all the sections/classes before we start the show (or as many as we can). Entrants will be asked to leave their models on the table until all the breed classes for the section are judged – all models in that section will be released at one time. Please do not remove your model(s) until announced by the judges. Once all breed classes are complete, we'll set up for collectability in a similar manner. This should make it easier on everyone, especially those who have offered to judge, as it will allow them to set out their models, and only have to listen for Stone Full Size Adults and Breyer Traditional Adults.

**Judging Criteria**

- **Breed Classes** – Models will be judged on breed characteristics/standards (including color and markings), anatomy, biomechanics, build suitable to age/gender, conformation, realism and condition. **Rarity and age are NOT considered at all.**
- **Collectability** – Models will be judged on finish, condition, including absence of rubs/flaws/overspray/etc., even seams, etc., correctness of painting, color, markings, realism, etc., age and rarity. Documentation is **REQUIRED for ALL models, and must include document source (e.g., website, book title, etc.).**
- **Workmanship** – Models will be judged on finish, condition - including absence of rubs/flaws/overspray/etc., even seams, etc., correctness of painting, color, markings, realism, proper color for the breed, etc.
- **Judging for this show is based on REALISM (except for collectability).** You may want to document unusual colors, patterns, breeds, etc. ***Please limit documentation to pertinent facts, and provide on paper measuring no more than 5.5" x 8.5" (smaller is better!), with no less than 10-point type, darker color fonts (it is easier to***

*read a dark color on a light background). As table space is limited, the size of documentation needs to be kept to a minimum. Please cite all references.*

- **Please note** – if a judge is not found for a section, the section will not be held. Consider volunteering!

### **Breed Classes – Stone**

For the Stone section breed classes, classes are actually based on the MODEL/MOLD itself.

### **Choosing Champions/Reserves**

For halter, champions and reserves will be chosen through callbacks for Stone Full Size Adults and Breyer Traditional Adults. For halter sections/classes loaded on multiple tables at the beginning of the show day, champions and reserves will be determined at the time those sections are judged (again, please leave models until these sections are completely judged and released

### **Overall Halter Favorite**

For the first ten years of this show, entrants were allowed to vote (with a donation) for the Grandest of the Grands. This pitted Stones vs. Breyers – and after ten years, the tally was five for each. ☺ With a re-interpretation of NAMHSA rules, we are no longer able to use this format. BUT – all participants will be able to vote (with a donation – funds going to EHHR) for their Overall Halter Favorite! So – all of the Overall Champions will be called back at the end of the show for participants to vote on. The model with the most money wins! This has been a fun way to end the day. Certificate and/or special prize for the Overall Halter Favorite.

### **GENERAL SHOW DEFINITIONS & RULES**

- **Geldings** – stallion models may be shown as geldings.
- **Halters** – will not be allowed in halter classes, unless molded on.
- **“Other”** Classes – if the class has “Other” in its title, please include an explanation or what the “other” is. It may be self-explanatory to you, but it sure helps our judges’ figure out what’s going on! If there isn’t an explanation, the judge has the right to disregard the entry.
- **Pony Pound** – If someone forgets and leaves a model on the table after a class has been judged and cleared, it may be charged with loitering, and removed from the table and placed in the pony pound. For a \$1 donation, the owner may bail it out. Any proceeds earned in this manner go to EHHR.
- **Props** – No props may be used in halter classes.

### **TAGS**

All models must have a tag that has the owner’s INITIALS and model’s name on one side, and the breed, gender, and age of the model on the other side – including color is a plus! The only exception is Unrealistic Collectability – only color is needed on the non-name side. All tags must be shown with owner’s initials and horse name faced down or model may be disqualified. You may use Region 10 tags, but be sure to include the additional information requested.

### **Judges/Judging**

- **Please** contact the show manager if you would like to judge.
- **Judges** may not show their models in a section they are judging (i.e., if someone is judging SM Adults, they may not show in that section, but may show in SM Foals or other Breyer sections).
- If a judge would like to show a model in a section being run simultaneously with a section they are judging, **in the interest of time, they should try to find a friend who is NOT currently judging to show the model(s) so as not to interfere with their judging responsibilities. No judge should hold up their responsibilities due to showing in other classes.**
- **The Judge’s Decision** is final.
- **Please** do not disturb the Judges while they are judging. Ask questions between classes.
- Showers/spectators **MUST** stay away from the judging tables when judging is in progress, and refrain from talking with judges while they are judging.
- **Judges** may not judge any model they have sold or proxy shown within the last six months.

**The “Other” Stuff** We will run **classes** in the **order** presented in the class list. However, sections may be moved around as table space becomes available.

**COMPLAINTS** about judging, etc., should be made to the show manager IMMEDIATELY.

**COVID COMPLIANCE** – All entrants will have to comply with any COVID requirements of the hall in order to participate.

**DIRECTIONS:** MapQuest/Google Maps/Waze are the best way to get directions. If you have any questions though, please contact the Show Manager.

**DOCUMENTATION** – Documentation is appreciated for unusual breeds/colors, but please keep it concise – due to space please keep documentation to **no more than 5.5” x 8.5”**, with no less than 10-point type (if a 3x5 or 4x6 sized card will do, please use that). The judge doesn’t need to know the history of the breed, just the general build/colors/etc. Be concise! Judges don’t have the time to read lengthy text. Documentation is required for ALL collectability classes and must include the name of the manufacturer, original mold name and model name (i.e., Midnight Sun/Blackberry Frost), manufacturing dates, as well as much of the following information as possible: edition size/limitations, variation, and other information that might help in evaluating the model (not value/price paid). **Please cite all references.**

**DO NOT PICK UP** any exhibitor’s models without their permission. If you damage someone’s model, you’ll have to pay for it. The only exception to this is if someone has left a model on the judging table after their class; the show committee reserves the right to move the model. They will be careful, but cannot be held responsible for any damages.

**Dusting** – Please groom/dust your models prior to bringing them to the show table. Excessive time spent dusting slows the show down and the dust you brush off your model into the air can settle on another shower’s model. ☺

**Electronic Device Policy** – please keep the volume to a minimum.

We expect all showers, their family and guests to be courteous and considerate – both at the show and on social media. **JUST BE NICE!**

**SELLING** – showers are allowed to sell items within the show hall. Again, all items, belongings, etc. must be stowed below tables for aisles to remain clear of slip, trip, or fall hazards.

**Sponsorships** are being accepted: \$1 class, \$2 champion/reserve, \$5 section, or \$20 for a whole division (i.e., entire Breyer, Stone, China/OP)! – money goes to EHHR or to help cover show expenses – your choice!

**YOUNG CHILDREN** must be accompanied by an adult at all times. There are many expensive models displayed; parents/guardians are responsible for their children's action in the event of any breakage/damage.
