MAR's goal is to raise money for our beneficiaries – TTR to help special riders participate in the program, and EHHR to help with their horse and pony rescues – and to provide models showers the opportunity to participate in a quality NAN-qualifying show with a wide variety of divisions and classes. Both beneficiaries offer AWESOME services, and I cannot emphasize enough the great work that goes on with these programs. Over the years, more than \$65,000 has been raised for our charities!

MAR ENTRY INFORMATION

Entry fees for the two days are different, due to the number of classes offered on each day. Please see the entry form (last page) for complete information. A complete entry **MUST** include ALL of the following:

- Completed, legible, and signed Entry Form.
- Proper entry fee – check or Money Order made out to “Elizabeth Andrews/MAR” or PayPal (FRIENDS & FAMILY ONLY) to: fpmvendetta@yahoo.com. If sending entries via email and PayPal, they **MUST** be sent on the same day; if not, they will be returned. All payments made after 3/20/24 must be made by money order, cash, or PayPal, except day of show entries which must be paid in cash (exact change).

Mail entries to: Betsy Andrews, MAR Show Manager – 115 Earle Branch Rd. – Centreville, MD 21617 or email to fpmvendetta@yahoo.com. Entry confirmation will include assigned initials for your tags.

No space will be “held” for anyone. You will not be considered “entered” until your properly completed **entry form and proper entry fee** are received and acknowledged by the Show Manager.

Results (1st and 2nd places only) will be available on the website within four weeks after the show, and will be sent to entrants via email.

Seating is assigned. There is a limit on the number of entrants, so please enter early.

NAMHSA approval pending. If approved, a model (equids, appropriate others) placing 1st or 2nd in any open class is eligible to show at NAN through 2027, and/or participate in their Merit Award program.

We will try to limit the number of rings used to no more than five per day, so the show won't be so hectic.

Changes/New for 2024 (highlighted in yellow)

- Saturday – Stone Original Mold
- Sunday– CM Maureen Love Plastic Models
- Sunday – Featuring International Artists – any non-U.S. Artists
 - Sculptures – models sculpted by an International Artist, finished by anyone
 - Finish – models (CM or AR) painted by an International Artist

Sponsorship & Donations

This year, MAR can really use your support. The entry fee has not increased in years, though other expenses have increased. Please consider sponsorship to help defray increased show costs and also help the beneficiaries. Rates are \$3/section or \$10/division. All sponsors receive acknowledgement in the show program.

Green highlighting indicates classes that require an additional fee.

- **AR/CM Micro Mini** – All smaller than SM/Chip models (basically about 1” in size – for example Mini Whinnies). Foals of this scale also show here.
- **AR/CM Foal/Yearling Halter Divisions** – This division includes mini-sized models. Age in months is required on tags. All Foals/Yearlings **except** Exotics/Fantasy/Etc. **MUST** show in one of these two divisions:
 - AR Foal/Yearling Halter Division
 - CM Foal/Yearling Halter Division
- **AR/CM Mini Halter Divisions** – Mini sizes include Stablemate (SM)/Chip and Little Bit (LB)/Pebbles models. All mini models **except** Exotics/Fantasy/Etc., and Foal/Yearling **MUST** show in one of these two divisions:

Extra Sections Requiring an Additional Fee

These sections provide an opportunity for models to show in extra classes for an additional \$1/model/class.

- **OF Breyer Plastic SM G1 Section** - Open to OF Breyer Plastic SM G1 series models only.
- **OF Plastic Stone OM (Original Mold) Section** - Open to any Original Mold Stone models of any size.
- **OF Chips** – Open to FC or OM Chip models – to be shown based on the MOLD, can be any breed. For example, an Arabian mold could be shown as a part-Arabian in the Arabian class.
- **OF Chris Hess Models** – This section is limited to the models listed (some of the pieces I had in my original collection when I started showing in the mid-70’s). There will be TWO sections - those that were in production by 12/31/76, and those after that date. A couple of restrictions – no decorators and no Old Mold PAMs. It will be judged on workmanship/collectability (documentation required). Without having a huge Hess section with every model, I’ve chosen those that are dear to my heart/I had in my original collection. This does give me an idea for a future specialty show...
- **AR Bas-Relief/Busts** – All painted items depicting the head, upper torso, and/or including significant portion of the body of one or more horses on a Bas-Relief (aka: plaques, medallions, cookies) or Busts depicting the head and shoulder/chest of one or more equines.
- **CM Maureen Love Models** – Open to any mass produced model created by Maureen Love that has been customized.
- **Sculpture by International Artist** - Open to any sculpture created by a non-US artist, finished by anyone. **MUST** note sculpting artist.
- **Finish by International Artist** – Open to any model finished (painted/etched) by a non-US artist. **MUST** note finish artists.

Novice

This division is for both youth and adults who are not ready for open level competition. It is recommended that those new to model horse showing enter this division. Novice showers may NOT enter any open classes. Only original finish models or models customized by the owner are permitted in the Novice division. Models may be made by any manufacturer (Breyer, Stone, etc.). Novice classes are NOT NAN-qualifying. Set up starts no earlier than 10 am, with the show to start at 11:00 am

PERFORMANCE CLASS/SECTION RULES

- Performance classes have been re-arranged into smaller sections/divisions. **There will be a charge of \$5 to enter performance, which will be waived if the entrant judges at least one performance section.**
- Description cards may be helpful but are not required unless indicated. They should be brief as there is not time to read a book.
- **Proper tack/obstacles are required.**

- **Space** – is always at a premium. ☺ For traditional models, a maximum area of 18" x 30" may be used. Smaller models should use a proportionately smaller area. Entrants are encouraged to keep entry "condensed" due to table space available.
- **Set-ups** – no set-ups, except simple footing (i.e., SMALL piece of fabric) are permitted for Hunt Seat Pleasure, Western Pleasure or Saddle Seat. Set-ups are permitted in other performance classes, but must be relevant to the performance portrayed. Props may not obscure any part of ANY entries – so please no walls/photo backdrops/etc. A wall may be indicated by a pole or piece of string.
- **A disk with a red and green side** will be available for performance entries. While setting up, display the red side, indicating the entry is not ready to be judged. When ready, flip the disc to the green side, indicating to the judge that the entry is ready to evaluate.

Class/Division Rules

- **Costume Classes** – NO SCENES – Model horse only! There is a scene class in Open Misc. Perf.
- **Cutting/Roping/Stock Work** – must have cow/calf/bovine of correct type.
- **Dressage** – please state level, test and movement – flat only please.
- **Harness** – vehicles are not required.
- **Harness-Other Not Listed** – Roadster, Reinsmanship, etc.

- **Jumper** – this may include stadium jumping or similar classes. No cross country.
- **Open Hunt Seat Pleasure** – these models must show "on the flat" – no jumping models. This class will be split between OF and CM/AR models and judged simultaneously – so no switching tack between models.
- **Open Weanling/Yearling/Miniature In-Hand Performance Section** – no handler required.
- **Open Western Pleasure** - This class will be split between OF and CM/AR models and judged simultaneously – so no switching tack between models.
- **Other English/Western/Misc. Performance** – NO BAREBACK!
- **Other w/Fence** – cross country, English Pleasure o/Fences, etc.
- **Reining/Western Dressage/Horsemanship/Pattern classes** – must include a pattern and where the model is in that pattern.
- **Scene Class** – must involve at least one model horse/pony, at least one prop, and some kind of scenery.
- **Showmanship** – must have a halter and lead, handler not required.

ENTRY LIMITS – CLASS & OTHER LIMITS

Limit of two models per entrant per class in halter and performance. Additional entries are allowed for \$1 per model – place dollar with the model and the judge will place them in the boxes provided. For those wishing to write a check for their total extra fees, please contact the Show Manager prior to the show. Each model may enter one breed class and one workmanship/collectability class in a halter division.

- No more than seven minutes between performance classes. (This equals about 2 hours and 20 minutes.)
- No more than three minutes between halter classes.

EXTRA SECTIONS

These sections allow participants to enter their models in more than one breed/workmanship/collectability class. There is a \$1 charge per model/per class.

Collectable Divisions/Sections and classes judged on Collectability **must** have documentation (**see: Documentation – Collectability**)

Copperfox models – show with Breyers in breed classes.

Etched models are shown as customs.

Factory Custom (Stone) – any change from the original mold EXCEPT gender changes.

Geldings – stallion models may be shown as geldings. Models will be judged on gender type/suitability.

Halters are not allowed in halter classes unless molded on.

“Other” classes – if the class has “Other” in its title, please include what the “other” is. Without this information, the judge has the right to disregard the entry.

Pony Pound – Models left on the table after a class is judged/cleared may be removed and placed in the pony pound. A \$1 donation will bail it out. Proceeds go to the charities! The show committee may not be held liable for damage or loss of these models.

JUDGING CRITERIA

Halter – Breed Classes – Models will be judged on breed standards/characteristics, anatomy, biomechanics, conformation, build suitable to gender, acceptable colors, and realism. Condition is a consideration, but minor flaws/imperfections will not disqualify a model – especially in OF breed classes.

Halter – Workmanship Classes – CM/AR/CG models will be judged on prepping/sculpting quality, neatness of work, even paint, correctness/realism of customization, acceptable color/markings, etc. OF models will be judged on finish, condition (including absence of rubs/flaws/etc.), clean seams, correctness of painting, color, markings, realism, etc.

Halter – OF Collectable/Collectability – will be judged on finish, age, rarity, condition (including absence of rubs/flaws/overspray/etc.), clean seams and similar factors. Desirability and value may also be considered. Documentation is required - **see Documentation – Collectability**.

Performance – Models judged on proper tack/obstacles (this includes correctness and fit of tack, scale and set up of obstacles) and on suitability for the event, including the ability to participate in a safe manner. If you think the judge will have any question concerning your entry, a **brief** explanation on a 3x5 or 4x6 card may be included with the entry. There is no time to read a full or even half page of information.

BREED DEFINITIONS

Remember, **these are BASICS**, and the list does not include every breed known to man. You may show your Appendix QH in a Sport Breed class if the model looks like a sport horse and not a stock horse. You may show your Ahkal-Teke in a Sport Breed class if it looks more sporty than light. Mustangs could go in any number of classes, depending on their look (stock, Spanish, etc.). **ONLY ONE BREED CLASS PER MODEL**. So if your Appendix QH doesn't place in Other Pure Sport, we DON'T want to see it in QH/Solid Colored Stock Types! The [NAMHSA Breed List](#) is a good starting place, or ask the judge of the division.

JUDGES/JUDGING

Judges may show in divisions/sections they are not judging.

Judges may not judge a model they have created, nor judge a model that they have sold or been asked to proxy show within the last six months.

Judge's Decision – is final. Tactful questions are welcome between classes.

Judges – if no one offers to judge a division/section, it will be cancelled.

Those who judge will be given tables closest to the rings. Other perks may also be provided (early entry to the hall, upgrade to larger table, first dibs on special runs, etc.).

Judges at their discretion may use timers in between their classes to keep their rings moving.

Showers/spectators – please stay away from the judging tables when judging is in progress, and refrain from talking with judges while they are judging.

Please contact the Show Manager if you would like to judge. There are lots of divisions/sections available to choose from!

Judges will be listed on the website.

OTHER SHOW RULES

Silent **auctions/raffles/Best Offers** will be held on each day. More information on what will be available will be sent at a later date. If you are interested in donating an item – proceeds go to our charities – please contact the Show Manager.

Belongings must be placed on or under your table. No spillage into aisle ways. Doorways and aisles must also be clear. Remember – others could slip/trip/fall/damage property or themselves and **you** will be responsible. Please consider

taking empty boxes/cases to your car. If more space is needed, consider paying the vendor fee and bringing your own table or rolling cart for extra room. **NO BOX EXTENSIONS!**

Parents are responsible for their small/young **children**. Those twelve (12) and under must be supervised by an adult at all times. Entrants are responsible for themselves, their children and **guest's** behavior and any damages caused. Disruptive individuals will be asked to leave with no refunds given.

Cancellation/Refund policy: Once your entry is received, there are no refunds.

Classes will be run in the order presented in the class list. However, **divisions/sections** may be moved if ring space becomes available. Also, multiple classes may be called up to different areas of a table if classes are small.

Complaints about judging, smoking, etc. should immediately be brought to the attention of the Show Manager.

Please instruct any of your family/guests on proper show **courtesy**. You are responsible for your family and guest(s) actions. Please be courteous and respectful of family, other participants, the general public, judges and show staff. No alcohol use (although wine/etc. for the auction/raffle is okay!), bad language, pets (except Service Animals), radios/music, running, vaping or smoking in the show hall.

Damage – if you, your children or guests cause any damage to the facility, models, property/etc., you will be liable for the cost of repairs.

Directions – MapQuest works well, as do most GPS. If you have questions, please contact the Show Manager.

Documentation – Collectability: Documentation is required for collectability classes as follows:

- Mandatory: Name of manufacturer, original mold name and model name (i.e., Midnight Sun/Blackberry Frost), manufacturing dates
- As much of the following information as possible: edition size/limitations, variation, and any other information that might help in evaluating the model (not value/price paid)
- Sources should be noted (IdentifyyourBreyer, Stone Reference Site) if at all possible - this is a plus!

This information must be provided on a 3x5 or 4x6 card, printed legibly and if typed, in at least a 10 or 12 point font. Dark print is best for readability.

Documentation – General – Table space is limited, so entrants are asked to keep documentation to no more than 8.5" x 11" (except Documentation – Collectability – see above), but smaller (4x6) is much preferred. No books are allowed on the table. Sources should be noted. Judges can't take time to read a lot so keep information brief/to the point. No documentation is needed for common breeds/colors/patterns. Please write as neatly as possible. Type font sizes should be between 10 and 12 in black or blue (easier to read!).

Donations – are gladly accepted! Please contact the Show Manager if you have an item(s) you would like to donate. Donations should be new or like new. Horse/model related items are preferred, however other items will be accepted, especially those relating to dogs, cats, wine, etc. Items will be used in the raffle/auction/etc. with proceeds going to the show's beneficiaries, and, if needed, to help defray costs of running the show. Photos and descriptions may be sent prior to the show for display on the website.

Dusting – Please groom/dust your models prior to bringing to the show table. Excessive time spent dusting slows the show down and the dust you brush off your model into the air can settle on another shower's model. ☺

Grandest of the Grand – on each day, all Grand Champions will be called back and voted on, with cash, by participants. Models must be present. A special award will be issued to the Grandest each day. Proceeds go to our charities.

Please keep the **hall** clean. Nothing attached to the walls/ceilings/etc. The hall must be vacated within one hour of the end of the show. If you are late, you will be charged. Please don't **smoke** right outside the door(s) and please dispose of cigarette debris in an appropriate manner.

Hotels/Motels

Best Western Denton Inn – 521 Fleetwood Rd., Denton, MD 21629 – 410-479-8400 – **about 10 minutes** from the show hall.

Easton hotels – Quality Inn, Hampton Inn, Holiday Inn Express, Econo Lodge, Best Western and Fairfield Inn. **About 20-25 minutes from the hall.**

Harrington, DE – Quality Inn, Holiday Inn Express and Super 8. **About 25-30 minutes from the hall.**

There's a good deal to do in the surrounding areas of Denton, Easton, St. Michaels, Oxford, Dover, Centreville, and Queenstown. This includes museums, outlets, parks, etc. We're not that far from Wilmington DE, Baltimore MD, and Washington DC.

Liability – The MAR Show Manager, Show Committee, Judges, Volunteers, and Caroline County Extension/CC4HYP cannot be held responsible for any lost, broken or missing property, injury to any participants or spectators. Security is the responsibility of each individual exhibitor. You may leave your possessions in the hall overnight at your own risk. No key is issued to the Show Manager – the CC4HP representative closes/locks and opens/unlocks the hall.

Listen carefully for all announcements. Talk in normal tones so announcements can be heard.

Lunch/Food – You are allowed to bring your own food. There is a Royal Farms on the way to the hall (on 301) and multiple fast food places in Denton (within a 10 minute drive). There will be a lunch break – probably starting around 12:30 pm for one hour during which time the Jackpot classes are held. If you order lunch for delivery make sure you meet the delivery person – you are responsible if that person slings packages onto show tables...

Parking/Unloading/Loading – please do not block the entry doors. There is plenty of parking.

PayPal is accepted for show entry – FRIENDS & FAMILY ONLY – fpmvendetta@yahoo.com

Do not **pick up** any exhibitor's models without their permission. If you damage someone's model, you'll have to pay for it. The only exception to this is if someone has left a model on the judging table after their class; the show committee reserves the right to move the model. They will be careful, but cannot be held responsible for any damages.

Pony – for NAMSHA purposes, a pony is a member of a breed where most individuals are under 14.2 at maturity.

As **questions** are raised, be on the alert for clarifications/interpretations of rules/etc. in information sent to registrants and posed on the website/Facebook.

Results – first and second place results will be recorded. These will be emailed to participants.

Selling – showers are allowed to sell items within the show hall. Again, all items, belongings, etc. must be stowed below tables for aisles to remain clear of slip, trip, or fall hazards.

Service Animals are welcome – please indicate if you are bringing one on your entry form. Please – no other animals.

Sponsorships are gratefully accepted. Rates are \$3/section or \$10/division. All sponsors receive acknowledgement in the show program. Please consider supporting the show with a sponsorship.

Poor **sportsmanship** will not be tolerated. Anyone showing poor sportsmanship will be asked to leave (also any family members/guests) with no refund. We expect all showers, judges, their family and guests to be courteous and considerate – both at the show and on social media.

Table Space/Assignments – table measurements listed are based on what the hall representative quoted. Tables are assigned on a first come, first serve basis, except that judges will get tables closest to the rings. If you'd like to be seated with a specific person, send your entries in together. Otherwise, if you request seating with a particular individual, the first entry will be held (for table assignment) until the second is received.

Tags – All models must have a leg tag for identification purposes, with the model's name and owner's initials on one side and model's breed, gender, and age (foals/weanlings in months) on the other side. Models without this information will be disqualified (except Novices – only breed and gender is needed). Listing color can be a plus! Models showing in Collectable classes do not need an age. When in the show ring, breed/gender/etc. side should face up.

Side 1	Side 2	Side 1	Side 2
Model Name Owner's Initials	Breed Gender Age Color (optional)	One More Poco BWA	QH Gelding 15 Buckskin

Region X tags are welcome, but **MUST** have the owners initials included or the model may be disregarded.

Tippy models – may be shown lying down on a soft cloth/material. This gives the judge permission to pick up the model so they can view the other side.

Updates will be given through confirmation correspondence and preshow letters (via email) and also posted on the website/Facebook page.

Vendors – must bring their own tables.
